

United States Court
District of Oregon
Portland,

Jason Paul Schaefer,
Plaintiff,

Case
No. 3:18-cv-01145-SI

-v-

Tim Trask, et al.
Carolyn Townsend, Chris Neffert,
Defendants.

Motion to Stay
the proceedings

Comes Now, Jason Paul Schaefer, Plaintiff
pro-se, moving these courts to stay the
proceedings until the imminent adjudication of
Criminal Case 3:17-CR-00400-HZ, a case in which
the Plaintiff is the Defendant. Trial for this
Criminal matter is May Sixth, 2019, and that
date is not expected to change for any reason.

Jason Schaefer is representing himself in that
matter, and is completely overwhelmed with court
dates and deadlines. Discovery in this civil case,
and trial, jeopardizes the Plaintiff's right against
self-incrimination. This civil matter and that Criminal
matter are inextricably related.

Respectfully Submitted to the Courts This
April 9th, 2019.
